

TRAINER / ASSESSOR WANTED GYMPIE

Training area

CHC33015 Certificate III in Individual Support (Ageing)

Information

Daisy Learning is a privately-owned RTO, based in Maroochydore. We specialise in providing high quality training in the ageing/disability sectors.

Courses are delivered in Gympie and Coolool alternately. We are looking for a trainer to work 2-3 days per week starting on the 11th March 2019.

We offer a friendly, supportive working environment with training provided before you are training solo.

Requirements (the short version)

- CHC33015 Certificate III in Individual support
- TAE40110 Certificate IV in Training and Assessing
- experience in delivering and assessing training
- knowledge of RTO compliance and ASQA standards
- current experience in the industry and/or current professional development
- excellent presentation and communication skills to build and maintain relationships
- confidence and motivation to deliver first class face-to-face training
- be able to adapt delivery to students with different learning styles and cultural backgrounds
- attention to detail, quality and time management ability
- the ability to work remotely while maintaining communication with our admin team
- can share knowledge and skills in a fun, innovative and engaging learning environment
