

a smile is the light in your window
that tells others that there is a
caring, sharing person inside.

Denis Waitley

Our vision

To contribute toward exemplary care for people receiving support due to ageing, disability or any other reason, by providing the best possible training, resulting in students who become proficient, considerate and inspired support workers.

CHCSS00098

Individual Support Disability Skill Set

Compliment your existing Individual support skills with disability skills

Entry requirements

- Must be Australian or New Zealand citizen or permanent resident
- Unique Student Identifier (USI)
- Existing worker in the Community Services and Health industry

Target group

This skill set is for people working in various care and support roles in the community services sector who wish to develop skills in providing person centred support to people with disability

Work placement

Because it is a requirement of this qualification that the student must be an existing working in the industry, our expectation is that students will be supported by their organisation to complete the required 30 hours of practical skills, in their workplace.

Pathways

These units provide credit towards a range of qualifications in the CHC Community Services Training Package at Certificate III or Certificate IV level.

Individual support

Your success is our success!

Discrete individual support is available for students who face barriers to completing accredited training and achieving their goals.

CHCSS00098 Individual Support - Disability Skill Set

Skill Set description

This skill set develops the core knowledge and practical skills required to provide person centred support to people with a disability in various settings. This will complement your existing CHC33015 Certificate III in Individual Support.

Total units of competency: 4

CHCDIS001 Contribute to ongoing skills development using strengths - based approach

This unit describes the skills and knowledge required to assist with supporting the ongoing skill development of a person with disability. It involves following and contributing to an established individual plan and using a positive, strengths-based approach in a range of community services and health contexts.

CHCDIS002 Follow established person-centred behaviour supports

This unit describes the skills and knowledge required to implement behaviour support strategies outlined in an individualised behaviour support plan for a person with disability in varied disability services contexts.

CHCDIS003 Support community participation and social inclusion

This unit describes the skills and knowledge required to assist with supporting people with disability in community participation and social inclusion using a person-centred approach. This involves enabling people to make choices to maximise their participation in various community settings, functions and activities to enhance psychosocial well-being and lifestyle in accordance with the person's needs and preferences in varied disability services contexts

CHCDIS007 Facilitate the empowerment of people with a disability

This unit describes the skills and knowledge required to facilitate the empowerment of people with disability to deliver rights- based services using a person-centred approach in conjunction with individualised plans.
